

April 26, 2022

Greetings,

We are reaching out to you to spread the word for this year's Trails End Festival! This once annual festival held in Millinocket is back once again. The last festival was in 2019 and we unfortunately had to cancel the 2020 and 2021 festival due to COVID. We are also back under new leadership, as the Katahdin Chamber of Commerce - a gracious host and contributor to the festival for the last handful of years - is passing the torch to the core committee. We have some familiar faces on the team, as well as some new members on board and are excited to bring this festival back to our line up of annual Katahdin region events.

*** Save the date! This year's Trails End Festival is scheduled for September 16th, 17th, and 18th, 2022. ***

In preparation to bring to you the festival you know and love, we've already got to work on scheduling entertainment and events. Our three day festival will continue to use both Veteran's Memorial Park on Friday and Saturday, and Crandall Park on Sunday. We have headlining bands each day, including vendors in the park, family activities, a chili cook-off, a rubber duck race, and more!

As we continue to gain returning and new sponsors to the Festival, we are asking for your support. Each year, contributions to the festival help keep this event **FREE** to everyone. There is no entry fee, and three days of live music, food, and fun are in store - we have set a target of **\$15,000** to put on a successful event this year.
